

To Our Patients:

Your managed care policy may **NOT** cover certain services due to contract limitations of your plan. For those services that your company confirms that are **NOT** covered, you, as the member, are responsible for those services provided.

We know that your company/plan does **NOT** cover certain services and that you have been made aware of these non-covered service prior to those services being rendered and that you, as the plan member, have agreed to pay for those services.
